Space design is just like a book, different space has different content and each single space should reflect the user's culture and spirit. Simplicity but no copy, oriental habit but western cultural effect, such contracted yet harmonious "dialogues" carry out

throughout this top-floor flat in the downtown area. The lamps, together with oriental expressions, produce a show of cultural collision on this perfect stage.

空间设计就像是一本书，不同的空间会有不同的内容，而每个空间都应该体现出使用者的文化与精神。简约而不雷同，东方的生活习惯，西方的文化影响。在这间位于闹市的顶层

公寓中，处处进行着这种反着而又和谐共存的“对话”。前卫的灯饰，东方的表达。在这个完美的戏台上将一起上演一出文化碰撞的好戏。
